INSTRUCTIONS FOR THE MEDICARE PARTICIPATING PHYSICIAN AND SUPPLIER AGREEMENT (CMS-460)

To sign a participation agreement is to agree to accept assignment for all covered services that you provide to Medicare patients.

WHY PARTICIPATE?

If you bill for physicians' professional services, services and supplies provided incident to physicians' professional services, outpatient physical and occupational therapy services, diagnostic tests, or radiology services, your Medicare fee schedule amounts are 5 percent higher if you participate. Also, providers receive direct and timely reimbursement from Medicare.

Regardless of the Medicare Part B services for which you are billing, participants have "one stop" billing for beneficiaries who have Medigap coverage not connected with their employment and who assign both their Medicare and Medigap payments to participants. After we have made payment, Medicare will send the claim on to the Medigap insurer for payment of all coinsurance and deductible amounts due under the Medigap policy. The Medigap insurer must pay the participant directly.

Currently, the large majority of physicians, practitioners and suppliers are billing under Medicare participation agreements.

DO YOU WANT TO OPT OUT OF MEDICARE?

Certain physicians and practitioners who do not want to engage with the Medicare program when treating Medicare beneficiaries may choose to "opt out" of Medicare. While Medicare does not pay for covered items or services provided by an "opt-out" physician or practitioner, beneficiaries and opt-out physicians or practitioners have the flexibility to set mutually acceptable payment terms through a negotiated private contract. Medicare will still pay opt-out physicians or practitioners for emergency or urgent care services rendered to beneficiaries with whom they have not privately contracted. The opt-out decision applies to all items and services provided by the physician or practitioner to any Medicare beneficiary for the entire opt-out period. A physician or practitioner who chooses to opt-out must do so for a two-year period, which automatically renews for successive two-year periods unless the physician or practitioner affirmatively requests that his or her opt-out status not be renewed. Opt-out physicians and practitioners can offer and enter into arrangements with beneficiaries that would otherwise be prohibited under Medicare. Opt-out physicians and practitioners also need not consider certain Medicare requirements, such as deciding on a case-by-case basis whether to provide an advance beneficiary notice of Medicare non-coverage for services in compliance with Medicare rules and guidance. More information can be found by visiting [*Opt-Out Affidavits*](#)

WARNING: YOU CANNOT USE THIS FORM TO OPT OUT!

WHEN THE DECISION TO PARTICIPATE CAN BE MADE:

- Toward the end of each calendar year, all MAC/carriers have an open enrollment period. The open enrollment period generally is from mid-November through December 31. During this period, providers who are currently enrolled in the Medicare Program can change their current participation status beginning the next calendar year on January 1. This is the only time these providers are given the opportunity to change their participation status. These providers should contact their MAC/carrier to learn where to send the agreement, and get the exact dates for the open enrollment period when the agreement will be accepted. On 12-7-20 CMS extended the Enrollment Period to 1-31-21.

- New physicians, practitioners, and suppliers can sign the participation agreement and become a Medicare participant at the time of their enrollment into the Medicare Program. The participation agreement will become effective on the date of filing; i.e., the date the participant mails (post-mark date) the agreement to the carrier or delivers it to the carrier.

Contact your MAC/carrier to get the exact dates the participation agreement will be accepted, and to learn where to send the agreement.

WHAT TO DO DURING OPEN ENROLLMENT:

If you choose to be a participant:

- Do nothing if you are currently participating, or
- If you are not currently a Medicare participant, complete the blank agreement (CMS-460) and mail it (or a copy) to each carrier to which you submit Part B claims. (On the form show the name(s) and identification number(s) under which you bill.)

If you decide not to participate:

- Do nothing if you are currently not participating, or
- If you are currently a participant, write to each carrier to which you submit claims, advising of your termination effective the first day of the next calendar year. This written notice must be postmarked prior to the end of the current calendar year.

WHAT TO DO IF YOU'RE A NEW PHYSICIAN, PRACTITIONER OR SUPPLIER:

If you choose to be a participant:

- Complete the blank agreement (CMS-460) and submit it with your Medicare enrollment application to your MAC/carrier.
- If you have already enrolled in the Medicare program, you have 90 days from when you are enrolled to decide if you want to participate. If you decide to participate within this 90-day timeframe, complete the CMS-460 and send to your MAC/carrier.

If you decide not to participate:

- Do nothing. All new physicians, practitioners, and suppliers that are newly enrolled are automatically non-participating. You are not considered to be participating unless you submit the CMS-460 form to your MAC/carrier.

We hope you will decide to be a Medicare participant.

Please call the MAC/carrier in your jurisdiction if you have any questions or need further information on participation.

DO NOT SEND YOUR CMS-460 FORM TO CMS, SEND TO YOUR MAC/CARRIER. IF YOU SEND YOUR FORMS TO CMS, IT WILL DELAY PROCESSING OF YOUR CMS-460 FORMS.
