Exhibit J
CCU Resources for Medicare 2021 Physician Fee Schedule Cuts- What Are Your Options?

Objectives: at the end of the course the attendees will be able to:
- List Medicare enrollment requirements and options
- Explain the difference between being enrolled as a participating supplier or non-participating supplier
- Evaluate the consequences of the MPFS reductions related to business viability
- Decide what enrollment path to take regarding the MPFS reductions

Session Description:

This course will address Medicare Enrollment options, as well as other alternatives available to therapy providers when attempting to mitigate the impact of the Medicare Physician Fee Schedule 9% fee reduction. The Pros and Cons for each alternative will be discussed and ample support resources will be provided to assist in decision-making and/or enrollment changes.
